Zadanie 3

Przeczytaj tekst i uzupełnij luki w zdaniach 1-3.

People in Poland usually have dogs as their pets. Dogs are friendly, funny and intelligent. They can also help people who are disabled. Last week, I saw a man who was blind. The man had a guide dog that helped him cross the street safely. Guide dogs are trained to help people in such situations. When you see such a dog, you can't stroke it or talk to it because this dog is at work and it needs to be very watchful to protect its owner. I know about it because I've read an article about guide dogs. However, the truth is that a lot of people don't know you can't pet these dogs because it can have negative consequences. What is more, I learnt that guide dogs are very expensive because it takes a lot of time and effort to train them.
